

LANTECH LONGWAVE S.P.A IS NOW LONGWAVE S.P.A.

The corporate name change is official

We hereby inform you that as of January 1, 2025, the company **Lantech Longwave S.p.A.**, headquartered in Reggio Emilia at Viale Danubio 9, **has changed its corporate name to Longwave S.p.A.**

Longwave unveils a new logo and a modern, dynamic identity while staying true to the values that are the basis of its **history of over twenty years**.

This is an important new phase that represents the **natural evolution** of a company that has grown and consolidated over time and confirms its **orientation towards innovation** as a fundamental principle for **creating value** through technological solutions.

Longwave has an ambition and a commitment that is pursued by a **team of professionals** with certified skills and an approach always focused on **quality** and **customer needs**. The goal remains clear: to support organizations of all sectors and sizes in the design and implementation of resilient, secure and efficient IT infrastructures and to continue to be a reference player, always ready for the **opportunities and challenges** that the future will present.
